Dear Mark

I am writing to thank you and all of the Foreign and Commonwealth Office officials involved for the hard work done in Geneva to ensure the consensual adoption of HRC 40 L.1. This resolution comes at an important time as we approach the 10th anniversary and remembrance of Mulliviakkal.

It is to be welcomed that Sri Lanka co-sponsored the resolution and its public affirmation that it will deliver on previous commitments. We all know however that in many important areas implementation has been slow and reluctant. I urge you to continue to work to ensure that the commitments made in front of the international community by Sri Lanka are upheld. The promotion of true reconciliation, accountability and human rights in Sri Lanka and for Tamil diaspora groups must remain a central goal.

Thank you once again for you and your official's good work in ensuring this positive step.

Best wishes

Paul Scully
